# PRESIDENT AND VPs DESCRIPTIONS & ELECTIONS

24 March, 2016

Welcome to the Spring 2016 PSA Elections!

The PSA Executive Team Election is a great time for you to get involved in an exciting aspect of university life. The PSA is one of the university's largest clubs, and as an Executive Team member you have the ability to impact a large number of students.

Within this booklet, you will find descriptions of all the positions that you can run for, provided you are a member of the PSA. If you are not a member but are interested in joining and running as a candidate, please contact the PSA. Also, please note that some positions require that you are studying some form of Political Science at Western University.

Being on the Executive Team is a lot of fun, but it does require commitment and all of the positions involve responsibility. At times, it can be time consuming but it is a rewarding job. As an Executive, you will make great friends and create strong relations in the Political Science department. When running as a candidate, do not hesitate to contact the PSA to talk to the current position holder.

Please note that the PSA's elections will abide by the USC's election rules. Be sure to consult them should any conflict arise (they can be found on the USC's website). You can also send questions to the outgoing PSA Executive Team. Finally, write down all of the deadlines listed in this document, as they are **not** flexible.

If you have any questions or would like to talk to the incumbent PSA President or any of the Vice-Presidents about their positions, please contact us at [psa.western@gmail.com](mailto:psa.western@gmail.com).

Good Luck,

PSA Executive Team  
2015-2016
